ABOUT

US

Wahiz International have been successfully working in Equestrian produtes, stock breeding, Farm & yard and veterinary instruments sectors with Wide range of Manufacturing Units.

Wahiz International produly decelares that it passess experience of Four decades in Manufacturing & supplying high international standards products relating to sectors. We established ourselves according to needs of our clients and our Clients always found us one step ahead in adoption of modern and up to date Technologies. We are determined to maintain high morale in our set up to produce world standard Products in coming years. As a result we own the following core competences, which has allowed us more than 40 years

success in the markets and enabled us to make the difference to you as our customer

> We have been certified according to the international guidelines (ISO 9001 2008) We are trying to fulfill this seal of quality in everything we are doing. Our ISO- certification is one of our proof for the expectation of quality

MISSION STATEMENT

Our mission is to save businesses time and money by providing good quality financial products and services that are efficient and easy to use
